Heating Cat House-S/M/L

- 🐾 A fully enclosed design with a windproof door curtain ensures that your cat can come and go freely while staying warm and safe. The entrance design not only makes it easy for your cat to enter, but also effectively blocks wind and rain, providing a comfortable shelter. The spacious interior allows your cat to curl up on a heated mat and enjoy a peaceful moment
- 🐾 Waterproof and heat-insulating material. The weatherproof nature of the outdoor heated cat house's insulation and waterproof roof ensures that your cat stays dry and warm in the cat house, even in inclement weather
- 🐾 Elevated base: Keeps the heated cat house off the ground, prevents moisture buildup, and provides better insulation. The outdoor cat house base is also raised to prevent mud, rain and snow from affecting the winter cat house
- 🐾 Wide range: A spacious outdoor heated cat house, comfortable enough to accommodate 2 regular-sized cats or 1 large cat, is perfect for multi-cat homes
