## Mesh Dog Harness

### Features

- All-Weather Breathable Mesh: This pet harness is crafted with soft, breathable air mesh, offering lightweight comfort, making it the perfect choice for walks throughout the year.
- Safety Reflective Strips: Equipped with two high-visibility reflective bands on both sides, this harness ensures your pet's safety by enhancing visibility during early morning and evening strolls.
- Durable Metal D-Ring: The harness features a sturdy metal D-ring, designed for use with a leash. It is durable and resistant to breaking, keeping your pet secure during every outing.

### Tips

- Please measure your pet's chest circumference before purchase to choose the most suitable size.

- Between the two sizes, we recommend choosing the larger size.

Size	Chest	Weight
 XS	12-13in 30-33cm	10lb 5kg

## No Pull Harness

### Features

- Comfortable Anti-Pull Design: This harness is ergonomically shaped to reduce pressure on the pet's neck, ensuring a more comfortable and safer experience during walks and training.
- Dual Buckle Adjustment: Featuring dual buckle design for easy and quick wearing, allowing for a secure and adjustable fit, perfect for pets of different sizes.
- High-Reflective Material: Designed with reflective stripes, this harness enhances visibility in low-light conditions, ensuring your pet's safety during nighttime walks.

### Tips

- Please measure your pet's chest circumference before purchase to choose the most suitable size.

## 600D Oxford Cloth Pet Harness

### Features

- High-Quality Material: Made from high-quality webbing with a multi-layer structure, ensuring durability and comfort for the dog.
- Secure Control: Equipped with sturdy stainless steel D-rings, the harness allows for easy leash attachment and provides reliable control when walking or training your dog.
- Ergonomic Design: The triangular webbing design on the chest fits closely to the pet's body structure, providing a comfortable and durable fit. This design not only enhances comfort during movement but also helps distribute pressure evenly, reducing strain on the dog's neck and ensuring a more enjoyable walking experience.

### Tips

- Please measure your pet's chest circumference before purchase to choose the most suitable size.

- Between the two sizes, we recommend choosing the larger size.
